

CYLINDERS

vertical compact fluorescent

Newest ballast and socket technology for a versatile fixture - whether 26W, 32W or 42W, just change the lamp

Universal voltage/wattage ballast accommodates the lamp or voltage change with no extra work

Available in a surface, pendant and wall mount in a variety of colors and finishes

Sturdy handspun aluminum cylinder housing with rolled reflector edge for added style

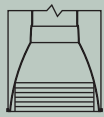

CYLINDERS

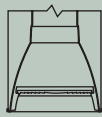

vertical compact fluorescent

Pendant fixtures feature a 5/8" mounting stem with a swivel canopy that self-adjusts up to 45°.

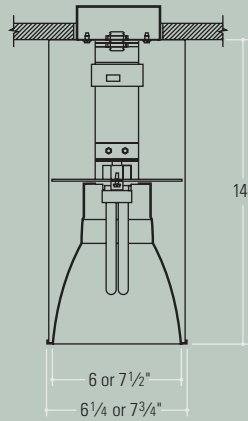

Standard open specular clear "Alzak" reflector comes with a low iridescent finish.
